I give thanks for the food I am eating
In the streets gun shots are beating

Due to the fact that
They are wreaking a lot of havoc
And are cheating
From the poor man who they claim is the
weaking
Through prison bars many men are peeping
Ways out of poverty they were seeking
What you sew is what you are reaping
In the morgue dead bodies are heaping
keep one eye open when you are sleeping
Dem a murder the old and the babe that
