Mi Lef dem in Awe

Intro:

Mi lef dem in Awe
Awe

When mi put up di real lion paw
They could not believe what they saw

Mi lef dem in Awe
Awe
Cut down corruption with the lyrical saw
When mi put up di real lion paw
They could not believe what they saw

Verse 1:

Mi A Di MALAWIAN
Mi A Nuh MARINE,
Mi a nuh CIA
Mi A Nuh TALIBAN
I am not the pope seated IN A THE
VATICAN
MI READ THE TIME FROM THE WATCH
WEH DEH PAAH HAN
When the enemy WANT MI HANG
They WANT TO SEE ME Weak BEKAA MI

NOO FOOD AT ALL
DEM NUH WANT MI NYAM
NOT EVEN A LITTLE PIECE OF
TRELAWNY YAM
But JAH BLESSING DEH PAA DI AFRICAN

Verse 2:

Afta dark min nuh fear wah
Not a shadow
Is a ratty mi drive
Is not a prado
Eating whole wheat bread and avacado
Remising on the herbs dat the farmer gone
grow

So Get a hint
I glow in oxygen like a burning splint
Drinking tea made from hemp and mint
Going for the gold like Arthur Wint
In this spiritual and metaphysical sprint
