PRESS RELEASE

"The Malawian Journeys 1.0" EP by Dexta Malawi Now on **SoundCloud**. Coming to I-tunes This Month

Kingston, Jamaica. October 10, 2014—**Dexta Malawi** is an Element of surprise. He describes himself as a Reggae Singer, Songwriter, DJ and Poet. The EP entitled "The Malawian Journeys 1.0" by Dexta Malawi of **The Reach di People Edutainment** is long overdue but is sure to reach the people. The songs feature creative lyrics and catchy melodies which will make you enjoy their authentic Jamaican Sound.

"The Malawian Journeys 1.0" EP rejoices in the beauty of nature, the journey of life, children and then goes on to encourage people to achieve their goals in spite of the challenges life will offer. It also outlines elements of the day to day journeys of DextaMalawi's life while at the same time representing for a wide listener base and paying Tribute to the People of Malawi.

"The Malawian Journeys 1.0", the EP which is a production of Reach Di People Edutainment is now available on sound cloud and will be available for purchase on-tunes and all major music distribution sites by 24 October 2014.

The EP features songs written and performed by Leroy "Dexta Malawi" Taylor. The instrumentals for this EP were produced by prolific record producers such as Kerron "Kabaka Pyramid" Salmon of Bebble rock studio, Kevin Salmon of Supa Nova Productions, Raymond Clarke of the Switzerland based Ranks Production, Daimon Schwalger of The Nomad Music Out of New Zealand, Fredrick JeanJean of Iron Gate in Australia.

Additionally Leroy "Dexta Malawi" Taylor of Reach Di People Edutainment also produced two of the tracks himself with major contribution From Jah D of The Builders Music Studio. One of the tracks also include Mr. Andre France on Flutes. Harmonies for the EP were done by Leanne Vanessa Humphrey and Keteis Oyonde.

Tracks on The EP include:
